

Our Commitment During the Coronavirus

Our thoughts and prayers are with all those directly impacted by the coronavirus. We are in operation--maintaining high standards of cleanliness and hygiene in our office. We are wiping down counters, doors, doorknobs, machinery, phones, bathrooms, etc. If you need to visit our location, we are practicing social distancing. If and when possible, please conduct your business via phone and the online portal.

We are remaining updated on the COVID-19 situation with the latest information from national, state, and local authorities, including the CDC and the South Carolina Department of Health and Environmental Control (SCDHEC). Resources for you: [CDC](#), [SCDEC](#), and [MBCOC](#).

As a family-owned company, we are all in this together. We are confident that when this crisis is over, the resilience of the American people will shine. We wish you and your family good health.
